Re: Chambliss for Senate October Quarterly Report (7/1/03 – 9/30/03)

Dear Mr. Whyrick:

This letter is to clarify the discrepancy in the Column B totals for lines 7(a), 7(c), 17 and 22. We reported a disbursement of \$801.16 to S P Mailing Solutions on March 6, 2003 which we then voided during the third quarter. We reissued a check to them for a larger amount, which can be found in this report. Thus the Column B total for lines 7(a), 7(c), 17 and 22 are \$801.16 less than they would be when adding from the previous report.

We would also like to clarify the discrepancy in the Column B totals for lines 6(a), 6(c), 11(a)(ii), 11(e) and 16. The numbers on those lines are \$925.00 more than they would be when adding from the previous report. To identify the problem we ran the July Quarterly Report again and compared it to the report we filed on July 15, 2003. In doing so, we discovered that the Column A and Column B totals for lines 6(a), 6(c), 11(a)(ii) and 11(c) are \$925.00 more now than they were on the report we filed. The problem lies in the amount of unitemized contributions reported. It is impossible to determine which contributions were not originally accounted for in the July Quarterly Report that was filed as they were unitemized contributions, but we in good faith stand by the subsequent numbers and those listed on the October Quarterly Report. Please find amended July Quarterly summary pages enclosed.

I hope that this clarification is helpful. Please call me at 678-589-4888 if you have any questions.

Sincerely,

Elizabeth Bissell
